VisionTek®

VisionTek 3 Foot High-Speed HDMI to DVI-D Cable

VisionTek Part# 900742

THE CONNECTION POSSIBILITIES OF THE VISIONTEK 3 FOOT HIGH-SPEED HDMI TO DVI-D CABLE ARE NEARLY INFINITE.

Use it to connect your DVI-equipped computer, or any other device with a DVI connection, to your home theater or any other device that utilizes an HDMI® connection. It also supports bi-directional operation, so you can connect HDMI devices like Blu-ray™ players and video game consoles to DVI-equipped TVs or monitors. No matter how you use it, this fully HDCP compliant cable supports high-bandwidth, uncompressed video, and provides your system with high-definition video quality.

Turn Your PC or Mac Into A Home Theater
Now you can connect computers with DVI connections, including Mac® minis and certain laptops, to an HDMI-equipped HDTV, projector, or other display device to create a home theater.

Connects Your Entertainment Devices
This cable offers optimal support for resolutions up to 1920 x 1200 and is ideal for connecting computers and other components with HDMI outputs, such as Blu-ray players or Xbox 360®/PlayStation® 3 game consoles, to DVI-equipped televisions or monitors.

Premium Construction for Maximum Signal Integrity
The VisionTek 3 Foot High-Speed HDMI to DVI-D Cable is engineered with the highest quality components and processes. A PVC jacket, molded ends, and inner hood soldered 360° to the connector all combine to deliver complete, end-to-end shielding.

SPECIFICATIONS
